SEVERAL LIABILITY NOTICE

In the event a provision of the policy or a previous endorsement is inconsistent with an express provision of this endorsement, this endorsement controls the applicable coverage under this policy. This endorsement does not change any other provision of the insurance policy to which it is affixed. This endorsement is a part of this insurance policy and takes effect on the effective date of this insurance policy unless another effective date is shown.

The liability of an insurer under this contract is several and not joint with other insurers party to this contract.

An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

Each company has underwritten a proportion of the total limit shown. The liability of each carrier is several and not joint with other carriers. A carrier is liable only for that carrier's proportion of the overall limit. A carrier is not jointly liable for any other carrier's proportion of the overall limit.

Nor is any carrier otherwise responsible for any liability of any other insurer that may underwrite this contract.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

EXCESS COMMERCIAL PROPERTY COVERAGE FORM (FOLLOW FORM)

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we," "us" and "our" refer to the Company providing this insurance. Other words and phrases that appear in quotation marks have special meaning. Refer to **Section D. Definitions**.

A. Insuring Agreement

We will indemnify you for the "ultimate net loss" in excess of the "primary insurance" and "underlying excess insurance" for direct physical loss of or damage to Covered Property at the Insured Premises, subject to the following:

1. The "occurrence" takes place during the Policy Period as stated in **ITEM 2.** of the Common Policy Declarations
2. The loss or damage is covered by and defined in the "primary insurance"; and
3. The loss or damage is caused by or resulting from the Covered Causes Of Loss as described in **ITEM 2.** of the Excess Supplemental Declarations.

Subject to our Limit Of Insurance, terms, conditions, exclusions and endorsements; if any, and, except as otherwise stated in this policy, we agree to follow-form of the terms, conditions, exclusions, definitions and endorsements as issued by the "primary insurance."

B. Limit Of Insurance

The Limit Of Insurance shown in **ITEM 6.** of the Excess Supplemental Declarations will apply as follows:

1. The Limit Of Insurance is the most we will pay for loss or damage in any one "occurrence." In no event, shall our liability exceed this limit or amount in any one "occurrence" irrespective of the number of locations involved.
2. The Limit Of Insurance only applies after the "primary insurance" and "underlying excess insurance" limit(s) have been paid or they have all admitted liability for the full amount of their limit(s).
3. If there is no recovery available because of the insolvency, or a declaration of impairment or insolvency of the "primary insurance" and/or the "underlying excess insurance" insurer(s), coverage under this policy shall apply as if the "primary insurance" and "underlying excess insurance" limits of insurance were in full effect and recoverable.
4. Our liability shall be limited to the least of the following:
 - a. The actual "ultimate net loss" in excess of the "primary insurance" and "underlying excess insurance."
 - b. The total stated value for the Covered Property, as shown on the latest statement of values on file with us.
 - c. The Limit Of Insurance shown on the Excess Supplemental Declarations or endorsed on to this policy.

C. Conditions

1. Application of Recoveries

All salvages, recoveries or payments recovered or received subsequent to a loss settlement under this Coverage Part shall be applied as if recovered or received prior to such settlement and all necessary adjustments shall then be made between you and us.

2. Maintenance of Primary and Underlying Excess Insurance

- a. Any "primary insurance" and "underlying excess insurance" must be maintained in full effect without reduction of coverage or limits except for the reduction of limits in accordance with the provisions of such "primary insurance" and "underlying excess insurance" that results from loss or damage to which this insurance applies. Such exhaustion or reduction is not a failure to maintain "primary insurance" and "underlying excess insurance." Failure to maintain "primary insurance" and "underlying excess insurance" will not invalidate insurance provided under this policy, but insurance provided under this policy will apply as if the "primary insurance" and "underlying excess insurance" were in full effect.
- b. The Named Insured must notify us in writing, as soon as practicable, if any "primary insurance" and "underlying excess insurance" is cancelled, not renewed, replaced, or otherwise terminated (bankruptcy or insolvency), or if the limits or scope of coverage of any "primary insurance" and "underlying excess insurance" is changed.

3. Sublimits

Sublimits of liability for coverages and/or loss or damage provided in the "primary insurance" and "underlying excess insurance" shall apply as the maximum amount of insurance for such coverages and/or loss or damage recoverable from the "primary insurance," "underlying excess insurance" and this policy combined.

4. Priority of Payments

Notwithstanding any provision to the contrary, in the event of a claim that involves more than one interest/party and/or coverage and/or causes of loss, it shall be at the sole option of the Named Insured to apportion recovery under this policy when submitting final proof of loss, subject to the total amount of the claim not exceeding our Limit Of Insurance for any one "occurrence."

For the purpose of attachment of coverage, it is further agreed that loss involving any interest/party and/or coverage and/or covered causes of loss in the "primary insurance" and/or "underlying excess insurance," but excluded in our policy, shall be recognized as eroding or exhausting the occurrence limits of the "primary insurance" and/or "underlying excess insurance."

5. Earthquake and Flood Drop Down

If Earthquake and/or Flood is a Covered Cause of Loss in this policy, in the event of reduction or exhaustion of the annual aggregate limit(s) designated in the "primary insurance" and "underlying excess insurance" solely by payment of losses from Earthquake and/or Flood during the policy period, such insurance as is afforded by this policy shall apply in excess of the reduced "primary insurance" and "underlying excess insurance" limit or, if such limit is exhausted, shall apply as the "primary insurance" and "underlying excess insurance." When the underlying limit(s) of insurance is exhausted, this policy shall always remain excess of the deductibles as specified in the "primary insurance."

6. Permission for Excess Insurance

Permission is hereby granted to purchase insurance in excess of the Limit Of Insurance stated in this policy.

D. Definitions

1. "Occurrence" means all elements of loss or damage due to any Covered Cause of Loss or combination of Covered Causes of Loss described in the Excess Supplemental Declarations, arising out of a single event, and including all resultant or concomitant losses to one or more Insured Premises, unless defined by the "primary insurance."
2. "Primary insurance" means any policy of insurance provided by the insurer(s) described in **ITEM 4. Primary Insurance** of the Excess Supplemental Declarations.
3. "Underlying excess insurance" means any policy of insurance provided by the insurer(s) described in **ITEM 5. Underlying Excess Insurance** of the Excess Supplemental Declarations.
4. "Ultimate net loss" means the loss or damage sustained by you as a result of Covered Causes of Loss provided by this policy after making reduction for recoveries or salvages collectible and other valid and collectible insurance, other than recoveries under the "primary insurance" and "underlying excess insurance."

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

SCHEDULED LIMIT OF LIABILITY ENDORSEMENT

It is understood and agreed that the following terms and conditions apply to this policy. In the event of a conflict between provisions of this endorsement and any coverage part, the provisions of this endorsement shall control:

1. Subject to paragraphs **2.** and **3.** below, the Limit of Insurance is the most we will pay for loss or damage in any one "occurrence." In no event shall our liability exceed this limit or amount in any one "occurrence" irrespective of the number of locations involved.
2. If, under the terms of this policy, the Company's participation is limited to a percentage or part of the overall Program limits of liability provided by a market of insurers, this endorsement does not increase the Company's percentage of participation.
3. If there is no recovery available because of the insolvency, or a declaration of impairment or insolvency of the "primary insurance" and/or the "underlying excess insurance" insurer(s), coverage under this policy shall apply as if the "primary insurance" and "underlying excess insurance" limits of insurance were in full effect and recoverable.
4. The DEFINITIONS Section of the policy and any forms or endorsements attached thereto are amended by the addition of the following Definitions:
 - a. "Program" shall mean the sum of all policies issued to the Insured, inclusive of any self insurance which may be arranged in one or more layers that provided coverage up to an agreed Program limit as provided in the policy.
 - b. "Statement of Values" shall mean any statement, spreadsheet, or schedule provided by the Insured or its agent or representative which identifies the locations covered under the policy and the values for individually "Scheduled Items" related to each location.
 - c. "Scheduled Item" shall mean any separately identified value on the "Statement of Values," including but not limited to a building-specific or location-specific value for real property, personal property, improvements and betterments, mobile equipment, stock/inventory, machinery equipment, inventory in transit, and/or Business Income/Rental Value. While the "Statement of Values" may include a Total Insured Value ("TIV") for each building or location, the TIV is not a "Scheduled Item."
5. In the event of loss hereunder, for purposes of calculating the amount of the insured's recovery, if any, due under this policy, the insured's recovery, subject to the terms of paragraphs **1.**, **2.** and **3.** above, shall be limited to the least of the following:
 - a. The actual adjusted amount of loss for each individually "Scheduled Item" insured, as shown on the latest "Statement of Values" on file with us, or attached to this policy, less applicable deductible(s).
 - b. 100% of the individually stated value for each "Scheduled Item" insured, as shown on the latest "Statement of Values" on file with us, or attached to this policy, after applying the deductible(s).

- c. The Limit of Liability or Amount of Insurance shown on the Declarations Page or endorsed onto this policy.

6. Examples

The following examples illustrate the application of this provision and are based on the following hypothetical facts:

- Company Policy Limit: \$5,000,000 part of \$25,000,000 excess of \$75,000,000 per occurrence
- Replacement Cost Coverage applies.
- No deductible applies.
- Statement of Values:

	Real Property	Business Personal Property	Business Income
Building 1	\$40,000,000	\$20,000,000	\$5,000,000
Building 2	\$40,000,000	\$20,000,000	\$5,000,000
Building 3	\$40,000,000	\$20,000,000	\$5,000,000

Example A:

Building 1 and its contents are destroyed. The adjustment team determines that the cost to replace Building 1 is \$80,000,000; the cost to replace the business personal property within Building 1 is \$25,000,000; and the lost income associated with the property damage loss is \$10,000,000. Accordingly, the total loss to the insured is \$115,000,000.

The underlying insurers pay \$75,000,000.

For purposes of determining the amount, if any, due under this policy, the insured's covered loss is calculated as follows:

- Real Property: \$40,000,000
- Business Personal Property: \$20,000,000
- Business Income: \$5,000,000
- Total Loss: \$65,000,000

Because this policy's coverage begins only after an insured suffers a covered loss of more than \$75,000,000 as calculated under the terms of this policy, there is no amount payable under this policy.

Example B:

Buildings 1, 2, and 3 are damaged by an occurrence.

The adjustment team determines that the cost to repair Building 1 is \$20,000,000; there is no business personal property damage or business income loss to Building 1.

The adjustment team determines that Building 2 is completely destroyed; the cost to replace Building 2 is \$60,000,000; the cost to replace the business personal property within Building 2 is \$30,000,000; and the business income loss arising out of the damage to Building 2 is \$20,000,000.

The adjustment team determines that the cost to repair the damage to Building 3 is \$5,000,000; the cost to replace the damaged business personal property within Building 3 is \$5,000,000; and there is no business income loss.

Accordingly, the total loss to the insured is \$140,000,000.

The underlying insurers pay \$75,000,000.

For purposes of determining the amount, if any, due under this policy, the insured's covered loss is calculated as follows:

Building 1

- Real Property: \$20,000,000
- Business Personal Property: \$0
- Business Income: \$0
- **Total Building 1 Loss: \$20,000,000**

Building 2

- Real Property: \$40,000,000
- Business Personal Property: \$20,000,000
- Business Income: \$5,000,000
- **Total Building 2 Loss: \$65,000,000**

Building 3

- Real Property: \$5,000,000
- Business Personal Property: \$5,000,000
- Business Income: \$0
- **Total Building 3 Loss: \$10,000,000**

Total Loss for all 3 Buildings: \$95,000,000

Less amount paid by underlying insurers: (\$75,000,000)

Accordingly, the amount due under this policy is $\$20,000,000 \times .20 = \$4,000,000$.

All other terms of the policy apply, including the terms, conditions, and limits of insurance reflected on the declarations.

All other terms and conditions of the Policy remain unchanged.

**EXTERIOR INSULATION AND FINISH SYSTEM EXCLUSION
(SYNTHETIC STUCCO)**

Notwithstanding any provision to the contrary within the Policy of which the Endorsement forms a part (or within any other Endorsement which forms part of this policy), this policy is amended as follows:

This insurance does not apply to loss or damage caused by, resulting from, or increased in whole or in part by Water Damage or Windstorm, Hail or Wind-Driven Rain losses to covered property with Exterior Insulation and Finish System (EIFS), Densglass, Dryvit, Synergy, Synthetic Stucco, Parex, or similar exterior finishing systems.

Exterior Insulation and Finish Systems (EIFS), Densglass, Dryvit, Synergy, Synthetic Stucco and Parex means a non-load bearing, exterior wall cladding system that consists of an insulation board attached either adhesively or mechanically, or both, to the substrate; an integrally reinforced base coat; and a textured protective finish coat that is applied over metal studs or other non-concrete underlayment.

However, this exclusion does not apply to EIFS, Densglass, Dryvit, Synergy, Synthetic Stucco, Parex or similar exterior finishing systems that is applied directly upon all load-bearing and non-load bearing concrete walls.

All other terms and conditions of this policy remain unchanged.

EXCLUSION—PROPERTY IN THE COURSE OF CONSTRUCTION

The policy does not provide coverage for any new buildings or structures at the insured locations while in the course of construction, or for any existing buildings or structures while undergoing “structural renovations,” until a certificate of occupancy is issued for new construction, or “structural renovations” are completed. This exclusion also applies to the following when used in the course of construction:

1. Building materials, supplies, equipment, fixtures, and machinery used for or incidental to construction; and
2. Temporary structures built or assembled on site, including cribbing, scaffolding and construction forms.

However, this exclusion does not apply to cosmetic renovations of any existing building that alter the appearance of the building, but do not make alterations to any internal or external load-bearing building components, or to buildings that undergo repairs reasonably anticipated during the useful life of a building or routine maintenance activities.

For the purposes of this endorsement, “structural renovations” means:

1. Any internal or external load-bearing component of the building that is essential to the stability of the building or any part of it, including, but not limited to foundations, floors, walls, roofs, columns and beams.
2. Any component including weatherproofing that forms part of the external walls or roof of the building.

LIMITATIONS ON COVERAGE FOR ROOF SURFACING

This Endorsement Changes the Policy, Please Read it Carefully.

We do not cover "Roof Dents" to any "Roof Covering" or "Rooftop Component" caused by the perils of wind or hail.

"Roof Dents" means changes in physical condition caused by the perils of wind or hail that alters the appearance of the "Roof Covering" or "Rooftop Component" but does not allow the immediate penetration of water or moisture through the "Roof Covering" or "Rooftop Component". "Roof Dents" includes spatter/splatter marks on oxidized surfaces, blemishes, dents, dings, dimples, chips, marring, pitting, scratches, gouges, grooves, or other similar damage, including any associated loss of adhesion at the "Roof Dents" location, to the "Roof Covering" or "Rooftop Component."

"Roof Covering" means the roofing system surface material and insulation below.

"Rooftop Component" means flashing, vent caps, trim, drip edge, HVAC equipment, vents, piping, and other items on the surface of the roof.

It is the specific intent of this Endorsement to exclude coverage for "Roof Dents" caused by wind or hail to metal roofing, membrane roofing, insulation, and any other "Roof Covering" or "Rooftop Component" that does not allow the immediate penetration of water or moisture through the "Roof Covering" or "Rooftop Component." We do cover changes in physical condition caused by hail or wind to any "Roof Covering" or "Rooftop Component" that allows the immediate penetration of water or moisture through the "Roof Covering" or "Rooftop Component." We do cover changes in physical condition caused by wind or hail to any "Rooftop Component" that must be replaced as a necessary part of completing repairs or replacement to any "Roof Covering" caused by the perils of wind or hail otherwise covered by this Policy.

This Endorsement does not apply to "Roof Dents" to any "Roof Covering" or "Rooftop Component" that are visible from the ground.

SCHEDULE

The **Exception Covering Certain Fire Losses** (Paragraph **C**) applies to property located in the following state(s), if covered under the indicated Coverage Form, Coverage Part or Policy:

State(s)	Coverage Form, Coverage Part Or Policy
	Commercial Property Coverage
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

B. The following exclusion is added:

CERTIFIED ACT OF TERRORISM EXCLUSION

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

C. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph **B.** applies only if indicated and as indicated in the Schedule of this endorsement.

If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

D. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.
